

Color Mixing Exploration

art-classes.com

1. Print this sheet on your favorite paper for your medium. It'll sometimes look different on different papers!
2. Choose 10 colors to test. Write their names or numbers across the top **and** down the left side.
3. Color each column with the listed color; then across horizontally, layering with as consistent and simple an application as you can.
4. Mark a few combos you want to try on a project - with stickynotes or a dot or star in the square.
5. Store this page with other color charts for your medium, and try some out on a project!
6. Share your page on social media so your friends can get color ideas too.

Happy color mixing!

A stylized, handwritten signature in black ink that reads "Sandy". The signature is fluid and cursive, with a large loop at the end.
